

Structure. Support. Solutions.

Pittman Consulting Group was established with a simple mission: to provide the best quality of service to and consistently go above and beyond for our clients. Whether it's managing large-scale projects, recruiting highly skilled healthcare professionals, or providing effective administrative support, we've built up the expertise and resources to provide customized solutions that drive efficiency, reduce costs, and improve overall performance.

CORE COMPETENCIES

Administrative Support

We provide strategic administrative support services to our commercial, local, state and federal government clients.

Medical Staffing

We provide and ensure dependable medical staffing solutions for healthcare organizations in the federal government and commercial industry.

HR PMO Solutions

At Pittman Consulting Group, we specialize in providing comprehensive human resources and program management services to help businesses thrive and succeed.

Facilities Management

We leverage 12+ years of experience supporting a diverse range of facilities management services for various governmental agencies as well as companies in the commercial and private markets.
