COMPANY SUMMARY

Pittman Consulting Group was established with a simple mission to provide the best quality of service to and consistently go above and beyond for our clients. Whether it's managing large-scale projects, recruiting highly skilled healthcare professionals, or providing effective administrative support, we've built up the expertise and resources to provide customized solutions that drive efficiency, reduce costs, and improve overall performance.

CORE COMPETENCIES

Administrative Support

We provide strategic administrative support services to our commercial, local, state, and federal government clients.

Medical Staffing

We provide and ensure dependable medical staffing solutions for military medical centers and clinics throughout the United States.

PMO Solutions

At Pittman Consulting Group, we specialize in providing program management and support services that include project management, program management, acquisitions support, financial and budgetary support, recruitment, and human resources support.

Facilities Maintenance

We leverage 10+ years of experience providing a diverse range of facilities maintenance and janitorial services in support of our federal government and commercial clients.
